NOTES

DESCRIPTION

Less than an hour from Bordeaux, peace and quiet in the countryside are the watchwords here. We're in the outer suburbs of Bordeaux, just 1 hour away, as well as from Mérignac airport. Libourne and Coutras (train stations, secondary schools, shopping centers, etc.) are 40 and 15 minutes away respectively. Montguyon and its château are just 6km away.

This 14-hectare estate, including one hectare of pond, is an ideal place to welcome family and friends, unless you'd prefer to develop 1 gîte, seminar or horse boarding activity.

The main building, with its original octagonal geometric shape, overlooks the countryside on two sides.

Entirely renovated, while preserving the original materials, it will be very easy for you to reunite this main building, currently divided into two dwellings, and give it back its overall entity. Everything has been thought out to make this possible, just as in the other gîtes.

To the left of this building, two dwellings under the same roof.

On the right, the reception room, the professional kitchen, the studio and the loft with a view over the horse stalls.

And let's not forget the outbuildings: wine storehouse, garages, stalls, shelter, shed (1 on the hay storage side, 1 on the riding arena side).
