## NOTES

## DESCRIPTION

Hotel 'Le Cassini' is a charming hotel with 10 rooms, each with an ensuite bathroom and toilet. It has offered an excellent service since its current owners took over in 2014. A quick look on trip adviser is testimony to the hard work, blood, sweat and tears that the current owners have invested in making this one of the finest hotels in the area.

The restaurant is also open to the public and has gained a fabulous reputation thanks to the culinary genius of Maarten the chef and co-owner with Sophia. As much of the produce as possible is organic and locally sourced in order to guarantee the freshest and healthiest possible home cooking.
