NOTES

DESCRIPTION

The ideal equestrian property is perfectly situated in the centre of its own land. With only 1 other property in the vicinity, impossible to be over-looked, this beautifully renovated house offers;

Stunning kitchen/diner with brand new fitted kitchen, as well as a new wood burner. Bright and airy living room with new woodburner in the attractive fireplace. Second reception room at the rear of the house with fireplace and sink. Ideal as a laundry, boot/dog room or to be adapted to suit your needs into a dining room or home office.

Downstairs wc and separate shower room as well as a handy storage cupboard for coats and boots.

A charming wide wooden staircase leads to the first floor landing opening on to 4 large double bedrooms with double glazing and a modern bathroom with bath. 2 of the bedrooms have recently had new carpet fitted creating a comfy, homely space to relax in.

The staircase continues up to the top floor where you find an enormous space ready to develop into more accomodation. The walls and floor have been boarded out and the new electrics are ready to be positioned depending on the new owners requirements. With the same floor space as the level below it would be easy to add up to another 4 bedrooms and a further bathroom (plumbing already on this top floor) on this level which could be ideal as a chambre d'hote business.
