IN BRIEF

If you dream of running gites and desire a project then this is it. The main building has water and electricity and could be converted to the main residence. Beautiful views across open countryside, buildings offering potential of 4-5 habitable buildings with large hangar, private courtyard and gardens. Architect plans have been drawn up and submitted. Main house is only developed on the ground floor providing open-plan living accommodation (approx. 6,7m x 6m) with open fireplace, bath with wash basin, kitchen area. Mains water & electricity connected. 1st floor to be renovated. Attached to the main house are 2 buildings approx. (7m x 6,7m) with 1st floor above & (8,6m x 6,4m) open to 1st floor. Adjacent are 2 other buildings approx. (11m x 5,8m) with windows and doors to front. 2nd building approx. 7,4m x 4,4m houses dry toilet. The large attached building would make an exceptional gite with exposed beams and stone work.
