IN BRIEF

This detached village property is ready for its new owners to make their mark. Set in the peaceful village of Saint Gilles Pligeaux, a short walk from commodities, it is deceptively spacious and is a blank canvas for creating a new holiday, or family home. On the ground floor, is a large open room with open fireplaces at each end. Metal framework has been added to set out the new room spaces. The ground and first floors have double glazed windows. Stairs lead to the first floor where there is a further large open room, and a staircase which leads to the loft. The loft space is fully boarded, and could be converted into additional accommodation.
