IN BRIEF

The potential for this property is huge. The main longère, whilst in need of total renovation, would make a pretty house offering good sized accommodation. Outside, 2 former outbuildings, now in a state of ruin, offer the possibility, after renovation, of further accommodation, perhaps for holiday rentals. The buildings are situated on 2 sides of a good sized piece of land, complete with well, which would make a lovely garden or a perfect place in which to grow vegetables and fruit. The possibilities are endless with this property!
