### NOTES

#### DESCRIPTION

Access to the house is via a very pretty, small country lane which only serves 4 other properties, only one of which is a permanent residence.

The house currently has one large living room which has a feature fireplace and wood burner. New central heating radiators have been fitted, but are not yet connected. There is a new staircase fitted, leading up to the attic area which could create a further 2 bedrooms and bathroom and there are windows already in the attic area.

The kitchen is of a good size and there is a separate glazed-door and window, making the area quite light. There is a false ceiling hiding what is sure to be a continuation of the original beams. There is a cupboard under the stairs in the kitchen and the stairs lead to 2 relatively good-sized bedrooms which are clean and have parquet floors. PICTURE 4 SHOWS WHAT COULD BE DONE WITH THE KITCHEN !!

The kitchen also has access directly to the garage which is at the side of the house. From the kitchen door, there is a fantastic private terrace which would look great with a few flower pots and a bit of a spruce up.

The land to the side is of a excellent size with 2 further outbuildings, which if not required could be dismantled to increase the useable space in the garden.

A very pretty property offered at a price to sell. More details and photos available from the agent.
