DESCRIPTION

At the heart of the new Bastide NIEL eco-district, in an authentic, hyperconnected and modern city centre, the HOME residence is: walks without cars, children having fun and walking around in complete safety, shops within walking distance to rediscover the taste for strolling.

On the banks of the river Garonne, close to Place Stalingrad, the Pont de Pierre and the Chaban-Delmas bridge, the apartments offer wide openings to the outside: balconies, loggias, terraces. Whatever your choice, all living spaces are designed to take advantage of the best orientation and varied views of the landscaped areas.
