## IN BRIEF

The property is in need of complete modernisation. It has some outstanding original features, high ceilings, large rooms and offers so much potential with the land, forest and out buildings that are also included in the sale. It is very unique to have such a large property with so much land within walking distance to the village centre. In Bourdeilles you will find restaurants and a Bar, a mini supermarket, hair dressers, bakers etc... and there is even a small market on a Sunday morning and canoe hire in the summer.
