IN BRIEF

Very attractive location on the edge of Puybrun, with quick access to the Biars/Bretenoux area. We need a real estate developer to continue this project to create a lotissement. The project has been approved by the Mairie and urbanisme, but the permit has expired. It needs to be renewed, but the Mairie and the town planning department are impatiently awaiting the project! There's a potential of 4 lots of between 1000m2 and 1500 m2 each. The lots are already serviced in 2008 (water and electricity connected) ; the plan and project had already been drawn up. To be taken over or modified. The property will not be subdivided for sale: the sellers are looking for a buyer for the entire project to comply with the PLU.
