DESCRIPTION

Ground floor:

Entering through the GARAGE (25m²) which has an electric door, and a window looking out onto the garden. To the rear, you find a CAVE (5m²) which is naturally very cool and ideal for wine or pantry storage. A corridor from the garage leads to an OFFICE (11m²) with a window for natural light and double French doors. You could transform this into a ground-floor guest bedroom if required. Then, you find a long CUPBOARD (5m²) which houses the hot water tank and has plumbing in place for the washing machine.

First floor: This can be accessed either from the ground floor inside, or via its main entrance and the exterior steps to the front of the property.

You enter into a large open-plan LIVING ROOM (55m²) with a functioning chimney with insert and windows to three sides, and a separate WC (1.4m²). A modern and light room with three separate "areas" – a lounge, dining area and modern fitted kitchen. This is complete with a hob, oven and a dishwasher. From here, you can step out onto the covered terrace, which offers a lovely view of the garden and countryside beyond – a great breakfast spot. Inside behind the kitchen, you have a PANTRY (4.5m²) which also has plumbing for the washing machine, but makes a great space for extra food storage and household items.
