NOTES

DESCRIPTION

Offering approximately 691 m² (7,438 ft²) of living space, the property consists of several buildings. There is a 406 m² (4,370 ft²) mansion house with generous living spaces and several reception rooms, including one with an attractive fireplace. Its large staircase leads to seven distinctive bedrooms and four bathrooms. The kitchen leads out onto a large, covered terrace, which is ideal for entertaining. In addition, there is an independent "maisonette" of 79 m² (805 ft²), consisting of two bedrooms, a shower room, and a large living area with an open-plan kitchen. This "maisonette" benefits from a large, shaded terrace, which is completely private from the main house. A second independent two-bedroom apartment of 73 m² (786 ft²) also benefits from a pleasant exterior, perfect for eating outside under the arbour. An artist's workshop of 32 m² (345 ft²) with an independent bedroom complete the living space.

The grounds of over six acres include a swimming pool with a large pool house, a tennis court with its changing rooms (built, but with interior to finish), and a boules pitch. The mansion house's courtyard is shaded by a superb line of century old plane trees, adding to the character of this magnificent environment. The property has two entrance gates, one serving the mansion house and the other the annex buildings, the four garages and the large parking area situated discreetly to the rear.
