IN BRIEF

This beautiful stone property, in need of renovation, is set all on its own, a little south of the town of Margueron. The old farm buildings are located 11 km from Sainte-Foy-la-Grande. The house is to be completely rehabilitated and has a floor plan of 76.50m2 and the adjoining barn 87m2, both of which could have an upper floor. The detached barn of 100m2 needs major reconstruction works. The surrounding garden of over half an acre also benefits from mature trees, a well and a small pond.
