IN BRIEF

Superbly located within striking distance of all of the amenities of this quiet, yet well-serviced part of Les Menuires, this large apartment is something of a rarity to the market. Without any rental contract in place (though it does rent out very well, given its capacity and location), you can sleep up to 10 people (counting 2 children in the bunk room) and the large terrasse with views out to the south west is a real bonus. The living area is of a good size, arranged in an open-plan fashion with the kitchen and dining area and the property even has a sauna to enjoy after a hard day's skiing!

DESCRIPTION

Based all on one floor, this apartment is of a good size and is very well located in resort. The piste passes just behind the building and there is plenty of parking in front (the apartment is sold with one covered parking space included).

Three of the 5 bedrooms benefit from en-suite bathroom facilities and there are 2 further bathrooms for the final 2 bedrooms (including one bunk room). Indeed, one of these bathrooms has the apartment's sauna in it - something of a luxury to help soothe aching limbs after a day on the hill!

The large, private outside space has superb views from the south to the west and provides a wonderful spot for a morning coffee and/or an afternoon/evening apéritif in the afternoon sunshine.

The area of Les Bruyeres is very well located close to many of the resort's amenities in addition to the incredible skiing access. Within a few minutes of leaving this apartment, you can have your skis on your feet and you have the choice of numerous lifts, meaning you can avoid the queues during the busy periods of the season.

Using the lifts system, you can be skiing in Val Thorens, Meribel and Courchevel within just a few lifts and the Menuires ski area is the best for finishing the day on the sunny slopes.
