IN BRIEF

Located in the centre of Frontenex, this small 8 bedroom chateau with 400m2 habitable, is in original condition and has remained in the same family since it was built in the 1734. This is the first time it has been available to buy in nearly 300 years. The spacious chateau interior has the original décor which will need to be restored sympathetically, but is not listed, allowing freedom to create a contemporary home with a rich heritage. The Chateau has a recent slate roof and some level of modernity such as electricity and mains drainage, but apart from that it will need a significant amount of creative passion, time and investment.
