IN BRIEF

This lovely property is set in a tiny hamlet near Najac. Originally it was the local school and comprises two large living rooms, three bedrooms and a large bathroom. It has the benefit of oil fired central heating. The house is adjacent to a pretty courtyard. On the other side of the courtyard there is another stone building which is set out as a gite comprising a living room, kitchen and two bedrooms together with a shower room. This building also contains a laundry room and small cellar which houses the boiler and associated fuel tank. Outside the house benefits from a swimming pool and terrace. Elsewhere the gardens are generally laid out to easily maintained woodland. A child's play cabin has been built in this area and is and presents a great opportunity for young children to have wonderful adventures that they will always remember.
