DESCRIPTION

As you enter the apartment, you have the spacious, open plan living, kitchen and dining area. This space opens out on a balcony which offers stunning views of the village and mountains beyond. Off of the main living area, you have 4 double bedrooms, each boasting their own en-suite bathrooms with showers, and 2 of which even have their own private balconies. The apartment has undergone a complete renovation including new electrics and plumbing by a local reputable developer with all the necessary guarantees for comfort. The kitchen is yet to be chosen by the future buyer which is why it is not yet installed but will be included in the price.

Filled with cobbled streets and old buildings, Saint Martin de Belleville is a beautiful village full of authentic, Savoyard charm. Aside from its brilliant restaurants, shops and bars, and welcoming community of residents, it also boasts access to the world's largest ski area, the 3 Valleys. In the summer, when the snow melts and the mountains turn green, the valley still offers a huge array of activities, making it the perfect place to make the most of everything the Alps have to offer throughout the four seasons.
