DESCRIPTION

The hamlet is close to Luchapt which has a weekly farmers' market and only about ten minutes from L'Isle Jourdain, a thriving market town on the River Vienne. The town has a good selection of shops, bars, restaurants and a supermarket. There is a municipal swimming pool and tennis courts.

In this part of the Vienne there are many marked footpaths which are popular with ramblers and the town is a good base for water based activities including fishing and canoing. For the brave at heart one can even try bungee-jumping off the old railway viaduct.

The area is easily accessed via the international airports at Limoges and Poitiers (Ryanair and Flybe) or by TGV from London to Poitiers.
