NOTES

DESCRIPTION

On the ground floor are the sitting room, fitted kitchen and a bathroom whilst on the first floor there are three bedrooms. This is a very light and airy house - ready to occupy immediately.

To the rear of the house is a wooden deck area, to catch the afternoon sun and a garden, currently used as a vegetable plot. Beyond this is a further parcel of land with trees. This can also be accessed via the road into the hamlet on which will be found the garage and the hangar.

The hamlet, served by a regular bread/grocery van, is walking distance from Luchapt itself where you can visit the weekly market and about ten minutes drive from L'Isle Jourdain.

L'Isle Jourdain is a thriving market town on the River Vienne. The town has a good selection of shops, bars, restaurants and a supermarket. There is a municipal swimming pool and tennis courts.

In this part of the Vienne there are many marked footpaths which are popular with ramblers and the town is a good base for water based activities including fishing and canoing. For the brave at heart one can even try bungee-jumping off the old railway viaduct.

The area is easily accessed via the international airports at Limoges and Poitiers (Ryanair and Flybe) or by TGV from London to Poitiers.
