IN BRIEF

Ideal investment opportunity offering two houses for renovation with a great central village location. The first house has two rooms downstairs and a bathroom and three rooms upstairs, though the property is not habitable. The roof on this house has been renewed. The second house sits at the back of the garden area, and is on 3 levels, including a large cellar. The roof on the second house has not been renewed and would require. The first house was previously used as a shop, and would be ideal to convert into some form of commerce again.
