## IN BRIEF

An exceptional property ! Beautifully situated, surrounded by nature, very private with stunning views over Montcuq, and still walking distance (less than 3 km) to everything the village has to offer. No expense has been spared with the renovation of this Quercy stone property. The different buildings are laid out around a central courtyard: the main house with its tower on one side, the separate pigeonier and the guest house facing the main house, and the large renovated barn on the other side. The pool and its spacious terraces are tucked away around the corner and benefit from stunning views over the gardens and surrounding countryside. The property has been completely modernized and now benefits from new roofs with new insulation, double glazing, new electrics and plumbing, new central heating (fuel) with a Viessmann boiler, and mains drainage. A special property, a must see. Please contact me for more details,...
