DESCRIPTION

The property has been restored and modernised, retaining character features such as beams and wood flooring, and is presented to an exceptionally high standard with double glazing throughout. The way the house has been configured, the gite and chambre d'hôtes business works well and it means that all guest suites are not in close proximity to each other or the main private living area. It is heated via mains gas central heating, a wood pellet stove, open fire and electric heating. For those hot summer months you can benefit from reversible air conditioning. The property is connected to the mains drainage system. Each bedroom benefits from its own fibre wi-fi connection point which is extremely reliable and has a fast connection. The roof is in a good condition and to the rear aspect the roofs are very recent and in great condition.

The private gated driveway leads you to the garden which is completely fenced and laid to lawn with many mature trees and shrubs. There is a swimming pool which is 2 years old and has a rolling cover.
