IN BRIEF

At the corner of Avenue Paul Santy and Rue Hugues Guérin, Villa Mia is nestled in a quiet residential area. The commercial heart of the La Plaine district is just a 2-minute walk away! The all-white residence has been designed as a link between a suburban fabric and the collective housing found on Avenue Paul Santy. The main volume, with a 4-storey+attic floor plan, is divided into a series of recesses and heights. The ensemble is particularly bright, and the landscaped breathing space with large trees provides a green setting. The architecture of Villa Mia offers future residents pleasant terraces, as well as direct access to gardens for the ground floor flats.
