DESCRIPTION

You walk through the front door of the house into the open plan kitchen, dining room and living room with a beautiful, large old stone fireplace. There is also a large downstairs bedroom with private access to the outside and an ensuite bathroom.

As you head upstairs, there is a second large bedroom and what could be a storage room or walk-in dressing room.

The roof and stone walls are in excellent condition.

The barn is divided into two rooms by a large stone support wall. One room is approximately 48m² and the other is approximately 18m². There is the same surface area upstairs, so this barn could theoretically be converted into approximately 130m² of habitable space.

NOTES

There is a garden in front of the house with a mature hedge that blocks the view of the very quiet road in front of the house.
