IN BRIEF

Peace and tranquility abound at this countryside retreat - whether you're seeking a private family home with plenty of space for visitors, or a hospitality business (gite, events etc). The property comes with 109 hectares of land, including woodland ideal for private nature walks, grassland suitable for horses, orchard, and organic crop land which already provides an annual revenue. The gardens also offer lakes, a swimming pool and a tennis court, not to mention a full-length south facing terrace. Both properties have been entirely renovated in the last three years (heating, plumbing, electrics, windows) and are therefore in excellent condition. The property is only a short drive from the nearest village of Saché (school, shop, hairdresser, fantastic restaurant, Balzac Museum). Azay Le Rideau,...
