IN BRIEF

At the heart of a vibrant village this spacious house offers many options - a large family home, conversion to rental units or just keep it as a lock-up-and-leave holiday home as it has been for some years. In the village there are many shops, a supermarket, small weekly market, bar and restaurant as well as a gym, vet, doctor and schools. The house is just 30km from the coast, well located to discover Brittany and beyond. Larger towns include Lamballe, St Brieuc, Dinan and Loudéac - all in easy distance. Collinée is a busy little village with strong demand for housing and the option to create rental units is well worth consideration - offering a strong potential for return on investment.
