DESCRIPTION

Located in a lively village two houses. The small one is partly habitable and consists of on the ground floor 2 rooms, on the second floor 2 rooms and a separate toilet. Above that, a spacious attic. The large house is a former butcher shop. The ground floor has 2 rooms (non load-bearing walls) in which there is still a cold store. The 1st floor has for now 3 bedrooms, corridor and bathroom (renovation partly done). The attic offers a great bright space to be filled in terms of use.

From the ground floor you walk into the barn which is located behind both houses. This offers a lot of space to renovate to your own insight or to leave it as it is. Behind the barn, the garden.
