IN BRIEF

This large family house is located near Souillac, ideally located from a tourist point of view. It was previously used for a bed and breakfast business as the layout of the rooms is perfect for a B&B : huge living room around fireplace, dining room and open equipped kitchen. The rooms are perfectly distributed with two suites on the ground floor and other bedrooms and suites upstairs. The property has beautiful, modern and comfortable living spaces; 5 to 6 bedrooms, two of which are on the ground floor and, above all, an indoor swimming pool: perfect for welcome customers in winter! It has a large and beautiful garden at the back, with trees, an orchard and... an indoor pool! But you could very easily build an outdoor pool as well. Located in a village in the North of the Lot, near Souillac with schools, shops, restaurants and services open all year round....
