IN BRIEF

In a buccolic landscape, just at the beginning of a little country road you'll find this magnificent stone house with a stunning view. It used to be a mayor's house with 5 bedrooms and 3 bathrooms, also many authentic elements such as high ceilings and parquet floors in the living room and office. A spacious kitchen with pantry to properly spoil your family and friends. Pleasant shady terrace and cooling swimming pool with pool house. The mature garden provides the necessary privacy. The outbuilding offers possibilities for extra rooms or gite.
