## DESCRIPTION

This lovely property is in a small hamlet with lovely forests and views close by. The building is an old longere with an attached Grange. There are ample garden spaces with some mature trees and shrubs.

Planning permission has been granted to transform the property into 2 substantial houses. The main structural work has been done on the first part to a very high standard. All new wiring, plumbing, roofs, internal partitioning, sand blasted beams, double glazed units and shutters, and repaired stonework, leaving finishing off/final fix to do. The septic tanks have all been installed to modern standards. There is also a rainwater collection system installed for irrigation.

The property comprises of a large open kitchen area with WC, stairs are planned to rise to the first floor. There is a large sitting room with a stone fireplace with a wood burning stove installed. On the first floor there is a landing with a planned bathroom and separate WC and 2 generous bedrooms.

The price reflects the level of work already carried out and a lot of the materials required to finish will be included in the sale price. This could be a DIY project to finish or using the local artisans in the area. The potential of this property cannot be over emphasised.
