IN BRIEF

An exquisite chateau set in an idyllic setting and just a short way from a market town with all amenities and a train station. A double gated entrance, in and out, leads to the chateau and the outbuildings. There is a front lawn with stunning mature cypress trees and mature planting and to the side aspect there is a detached tower with its own round turret housing a two bedroom apartment, a pool with pool terrace and pool house for entertaining, the barn with first floor apartment and large entertainment hall and, to the rear aspect, an old 9 hole golf course and lovely views over the Dordogne countryside. Set in an idyllic setting, this chateau has always been a favourite of mine and should be on your viewing list! The airport of Limoges can be reached in less than an hour.
