MASSIVE POTENTIAL - VISIT AND MAKE AN OFFER

For more information or photographs please contact me, however because the electricity has been cut off as the property is empty, some rooms were unable to be photographed (the ones requiring more renovation). If you scroll down, there are 360 degree tours of most of the rooms including those needing renovating.

The property consists of three different buildings which can be united together and a piece of land that is constructible.

SHOP

There is a commercial part to the property with a shop, a large fabrication area/workshop and a wc (again more information can be given on request). The owners have informed me that the business can be used for a range of different purposes subject to planning permission or could be changed to form part of a family home.

APARTMENT

Above the commerce is a large apartment on two floors that is habitable and has had some work undertaken. It consists of:

- * 4 bedrooms
- * a bathroom
- * a living room with a kitchen and patio doors out on to a balcony
- * laundry room (which could be a second bathroom)

HOUSE

There is access to the house from the first building via a door from the workshop area. The house is in need of full renovation. The current layout consists
