NOTES

DESCRIPTION

Between the canal and the Garonne, in a calm environment, you will find this lovely house renovated tastefully by the current owners. The kitchen/dining room is the heart of the house and offers the possibility to have a large table to welcome family and friends. The living room is cosy with a stone fireplace.

On the first floor, there are 3 good size bedrooms and a shower room.

The adjoining barn is left to be renovated. There is water and electricity. A staircase leads to the first floor.

Outside, most of the garden is in front of the house. You will find an ideal place under the pine tree to have lunch in the summer, fruit trees, a mimosa, and enough space to park your cars. The back of the house is buildable. There is a shed and a spring.
