DESCRIPTION

Ground Floor.

You enter into a small porch great for storing shoes and coats. You then go into a large and bright open plan 30m² living/kitchen/dining room. The kitchen area is generous with fitted units. Off here is a shower room and WC of 2.9m².

First Floor.

Stairs take us to two good sized double bedrooms of 16 and 14m² overlooking the garden. Flooring is solid wood.

Second Floor.

Here is a large attic space of 27m² under eaves, currently used for storage. The attic is boarded, with potential for conversion into additional accommodation, subject to requisite permissions.

Basement.

There is a small cellar, covering half of the living area, again providing useful storage as well as housing the hot water tank.

Outside.

The garden is laid mostly to lawn with a couple of seating areas to enjoy warm summer days and evenings. At the bottom of the garden is a small two storey outbuilding, also offering excellent storage with workshop potential. There is also access to a shared well.

Plenty of free off road parking close to the house. An ideal permanent or holiday home.

A little gem. Viewing essential.
