This 1986's property sits on a large garden surrounded with a beautiful and quiet environment. The ground floor, which currently has a kitchen, 2 bedrooms and a shower room, needs complete updating and the 90m2 first floor needs your creative ideas! The total size of the house if it was fully done up, could reach up to 160m2. Located near a village with restaurant, 2kms from Saint-Aulaye and its local shops, it could become a great holiday home or a large family house.
