IN BRIEF

5 km from Monts sur Guesnes, a village with all shops and schools, come and discover this magnificent property which is hidden behind its huge stone porch. Once past this porch, you will find a large garden with flowers of about 500 m2 totally surrounded by exposed stone buildings. Once past another porch, a huge park of about 1 ha (2.5 acres) planted with mature trees gives access to the pond and the vegetable garden with greenhouses. The house itself has a magnificent recently installed travertine floor on the ground floor. Double glazed windows with electric solar shutters have just been installed. It has a large living room with fireplace and a beautiful dining room with fireplace which have direct access to the outside terrace and the flowered garden. A new fitted kitchen, which needs to be finished to your taste, also has access to the terrace. Possibility to create a separate gite.
