On the top floor, up the handsome wooden staircase, is the completely open-plan 40m² (approx.) living area and kitchen with a particularly beautiful view of the city. The private and spacious 14 m² loggia (indoor/outdoor terrace) is the perfect sitting area whose main view is the magnificent cathedral itself in the middle distance. There is a WC for convenience on this floor. The use of natural solid wood materials for the main flooring and all windows is particularly pleasing.

Reserved parking is available within the building.
