NOTES

DESCRIPTION

The residence, made up of 16 apartments, is dedicated to a new lifestyle combining the rare and the exclusive.

From studios to 5-room duplexes, the wide variety of apartments develops the codes of refinement and comfort with well thought-out plans, for all requirements.

They benefit from exceptional ceiling heights of up to 3.50 m, rooms with non-standard surfaces and spaces and generous and convivial kitchen-living rooms.

The apartments offer a fair balance between day rooms and night rooms, to preserve everyone's privacy. From 3 rooms upwards, the master suites have their private bathroom.

The plans optimise brightness by offering a double or triple exposure in some cases and up to four outdoor spaces per apartment, loggia, balcony or terrace. The vast majority of master bedrooms even offer the privilege of having direct access to an outdoor space.

The iconic golden triangle, made up of Saint-Jean-Cap-Ferrat, Villefranche-sur-Mer and Beaulieu-sur-Mer, stands out as one of the legendary places of the Côte d'Azur, just 7 km* from the Principality of Monaco.

Whether you reach it from the open sea or via the Basse Corniche from Nice or Monte-Carlo, wonder presides over an infinity of blues and greens. Its harbours, intimate coves and pinewoods were a land of precious inspiration and creation for Henri Matisse and Jean Cocteau.

This coastal pearl reveals a range of treasures between sea and mountains, which people come from all over the world to explore, in every season, for its light, the mildness of its climate and its lifestyle.
