NOTES

DESCRIPTION

Accessed via no-through lane, this house offers generous accommodation in a peaceful, rural setting.

Ground Floor Living Space.

You enter in to a large and light double aspect living room of over 40m2 with pellet burning stove. Off here is a good sized kitchen of 12.5m2 with space for a table and chairs. At the back of the kitchen a door leads through to a corridor where you find three double bedrooms of 12m2, 12.5m2 and 18m2 respectively.

Also here is a 2m2 shower room with WC and walk-in shower. At the back of the property is a utility area of 9m2 with a separate WC as well as a large family bathroom of about 7.5m2 with roll top bath and separate shower. Off the utility area is a 27m2 double garage. Accessed from outside is a good sized boiler room with a relatively recent heat pump central heating.

Outside.

The garden is laid mostly to lawn with some trees and mature planting. To the front of the house is a large wood sided open hangar barn of around 90m2 providing excellent storage space. To the side of the house is a small lean to, again offering additional storage space. Just across the lane is a separate stone outbuilding and hangar. There is storage aplenty and so many possibilities.

Early viewing is highly recommended to appreciate this wonderful property and all its potential.
