DESCRIPTION

Let's start our tour on the Croix de Mounis plateau, leaving the main road behind and taking the road that leads us to this hamlet of character, the end of the line! If you're looking for peace and quiet, this is the place to be! A group of buildings welcomes us, they are all part of the property! This magnificent farmhouse, typical of the Haut Languedoc region, has been superbly renovated in keeping with traditional construction methods, using quality materials and offering all modern comforts and requirements. This typical architecture offers unrivalled comfort and potential!

As we entered, we were greeted by a remarkable 90m² room, THE reception room, which set the tone with its stone walls, spectacular fireplace, numerous windows, beams and massive furniture - impressive! It left us speechless, but we must go on! This room also has a toilet area that meets accessibility standards.

Next to the reception room is a fully-equipped 18m² professional kitchen, ideal if you're looking for a place to set up a restaurant or, as is the case here, a hospitality business, this will be perfect and ready to go!

Next, a 42m² relaxation room also offers authenticity and elegance, the bonus? A jacuzzi awaits you in a vaulted wing, the old cellar where sausages used to be dried - incredible, isn't it? There is a bedroom and...
