DESCRIPTION

On the ground floor the house has a comfortable 30m² living room with access to the en-suite bedroom, garden and kitchen. There is also a family bathroom and a separate toilet.

Upstairs are 2 big bedrooms, a single room and a bright landing area for storage or a corner to enjoy reading.

Throughout the house the owners have preserved all the features such as wooden beams and the large fireplace in the living room. It has also benefited from extensive renovation such as the electrics, new roof, new rendering and new septic tank.

The outbuilding can be used as a garage, workshop or you could consider a conversion.

There is plenty of outdoor space to park cars. The garden (roughly a manageable 3250 square feet or 900 m²) is well maintained with mature plants and trees to ensure your privacy.
