DESCRIPTION

Both houses benefit from double glazing throughout. There is oil central heating to the main house and electric heating in the gite. Another benefit is a recently installed septic tank which serves both properties. This property is very versatile and would appeal to those looking to take over an existing successful holiday venue, have a beautiful and private large family property or to develop other holiday or equestrian pursuits in wonderful surroundings.

The main house is entered via an enclosed porch - Ideal for storage of outdoor wear. This leads to the Lounge with feature beams and fireplace with wood burning stove and tiled floor with large south facing window to the front. There are also two sets of double doors; One set leading through to the large study and the other leads to the kitchen diner.

The study is a good size room currently used as an office, however large enough to be a dining room if desired. Complete with feature open fireplace and wooden flooring.

The fully fitted kitchen/dining room is very spacious and bright and airy and overlooks a walled kitchen garden and large poly-tunnel with raised beds. Feature stone walls in parts and double aspect to side and rear of the property. To the rear there is access to the garden and a super vegetable plot, lake pontoon and a patio overlooking the lake. There is a further door which leads to the hall which is full of character...
