NB. Quoted prices relate to euro transactions. Fluctuations in exchange rates are not the responsibility of the agency or those representing it. The agency and its representatives are not authorised to make or give guarantees relating to the property. These particulars do not form part of any contract but are to be taken as a general representation of the property. Any areas, measurements or distances are approximate. Text, photographs and plans, where applicable, are for guidance only. Leggett and its representatives have not tested services, equipment or facilities and cannot guarantee the same.

Particulars for off-plan purchases are intended as a guide only. Final finishes to the property may vary. Purchasers are advised to engage a solicitor to check the plans and specifications as laid out in their purchase contract with the developer.

DESCRIPTION

Down a private, gated driveway and surrounded by over 4,000m2 of garden you will find this lovely secluded farmhouse and barn conversion.

Farmhouse

Enter into the farmhouse into a large living / dining room which forms the hub of this side of the house. Exposed wooden beams, tiled floors and a feature fireplace make this a great gathering place for family and friends.

The large dining room is thought to have once contained the kitchen. There are three ground floor bedrooms on this side of the house. One of these rooms communicates with the living room of the house next door. There is a family bathroom which completes the ground floor.

Conversion

The separate entrance into the conversion brings you into another large living and dining area. Upstairs from the salon are two large bedrooms with exposed wooded floors and lovely views through the dormer windows.

A short corridor from here leads to a large country kitchen facing the back of the house. From the kitchen you can access a covered veranda or sun room with access to the garden. The modernised kitchen runs along the back of the house enjoying the lovely views over the garden

The corridor also gives access to a bathroom and WC, as well an atrium room with double height windows and a staircase to a mezzanine floor.

Elements from the old barn have been maintained in the build such as the exposed stone and feeding manger which is incorporated into the walls.

The mezzanine is currently...
