DESCRIPTION

The 4-bedroom house with its garden and garage, as well as ample private parking, is located in the centre of Nyons and a stone's throw from the River Eygues. The house was built in 1985, with good materials. Most of the rooms are on one level. The addition to this house is the mezzanine with its small terrace.

The living room and sitting room open onto a spacious terrace. On the other side of the property is the large conservatory which also gives direct access to the other side of the garden. The garden has space for a swimming pool.
