IN BRIEF

Less than an hour from Rouen or Dieppe, nestled in a quiet village of the Pays de Bray, discover a green and authentic haven: a charming property complex where the countryside is gentle, the seasons inspiring, and life... full of promise.

At the end of a gravel driveway, a fully enclosed plot of approximately 2,000 m² opens onto a world of its own: two character-filled houses, a majestic old barn, and a garden where the trees seem to whisper tales from the past.

DESCRIPTION

The First House – A Cozy Canadian-Style Chalet
With its 60 m², this first home is a true cocoon. Here, wood reigns supreme, exposed beams tell stories, and the atmosphere recalls a warm mountain lodge from the great outdoors. On the ground floor, a welcoming living room, an open kitchen with dining area, and a full bathroom (shower, bathtub, and toilet) form a harmonious, comfortable space.

Upstairs, a mezzanine area serves as a TV nook or reading corner, leading to a charming master bedroom tucked under the eaves.

A wood-burning stove sits proudly in the main room, offering cozy heat throughout the house.

The Second House – For Hosting or Rental Income
More spacious (about 90 m²), the second house is perfect as a holiday rental, guest house, or simply your main residence, depending on your vision. On the ground floor, a large living and dining room with fireplace opens to a generously sized kitchen — ideal for family meals and festive gatherings. A shower room and toilet are also on this level. Upstairs, you'll find a master bedroom for two, and a large adjoining bedroom that can comfortably sleep six — perfect for family, friends, or guests.

A Beautiful Barn for Your Future Projects

A large barn/workshop completes the property — ready to be transformed into a garage, creative space, storage area, or even future living space... the possibilities are endless.
