DESCRIPTION

The first floor of the main house (160m²) features 4 bedrooms, 2 bathrooms, a spacious, sun-filled (40m²) conservatory, a grand living room with a dining room, and a beautiful, fully-equipped kitchen. The layout allows the living areas to flow easily into the kitchen and other areas.

The independent studio apartment is accessible from the veranda and offers plenty of possibilities to use as an in-law apartment or a great idea for your guests to have their own private space. It has a private bathroom.

The ground level features a 30m² games room, perfect for entertaining guests, 2 large garages, which provide plenty of storage space, a laundry room, a WC, and even a shower room.

The second house features a recently remodeled kitchen, with modern appliances and fixtures. There is also a comfortable living room, a dining room, and a WC on this floor. There is also access to the garage on the main floor which measures 35m² and provides plenty of storage space.
