NOTES

DESCRIPTION

The lakes are stocked with both mirror and common carp (upto 40lb on the first lake), tench, perch and black bass. The first two lakes are approximately 8200m2, each and the third is around 4500m2. The lakes do not conform with current regulations and works will be needed to bring these up to date.

There is plenty of parking on site and good access from the village.

The property is located close to Saint Priest Les Fougères which is a typical French village with a small cafe and a baguette machine.

The cabin can sleep up to 4 people. It is off grid with solar panels and has its own well for washing and showering. There is a terrace which stretches out over the lake. On the opposite side of the lake is a FirePit and BBQ area. It is not registered on the cadastral plan but has been there 40 years plus. The whole area is considered a natural zone so you aren't able to build on the land or around it.

The nearest airport is Limoges (50 minutes). Bergerac, Bordeaux and Brive airports which are approximately 2 hours away. The nearest train station is "La Coquille" which is on the train line from Limoges to Bordeaux.
