## IN BRIEF

Bordered by the Charente countryside, this magnificent manor house has all the charm and character of houses with a soul and a history.

Its old features (parquet flooring, exposed beams, cement tiles) and its comfort (5 possible bedrooms, 3 shower rooms and 3 WCs, central heating) make it an ideal property in which to live and settle.

The two adjoining houses can either remain independent (and leave the possibility of renting them out) or be joined together to make the house even more spacious.
