IN BRIEF

Set of two character houses with enclosed courtyards in the most charming street of Le Bugue old town.

The Maison de Maître has been beautifully renovated, with great attention and respect to the key features of such building. It has a charming private courtyard and several living areas, two kitchens, dining rooms, shower rooms and up to four bedrooms (one being a ground floor master bedroom), depending on needs and use of the rooms.

The second house would be ideal as a guest house, but although it has undeniable potential its renovation will need to be completed. On the ground floor is a living room, a kitchen and a shower room. Upstairs are two bedrooms, each with their own shower room.
