DESCRIPTION

Accessed off a quiet country road at the end of a no-through lane this is a great location offering peace but not complete isolation.

Ground floor.

You enter into a large over 30m2 living room with tiled floor and fireplace. There is more than enough room for a large table and chairs. Off this room is a kitchen area, with a useful utility room to the rear.

First floor.

Original solid wood stairs lead to two generous double bedrooms with a newly fitted shower room with WC. There is a large landing area that could make another single bedroom or office or occasional space.

Second floor.

The attic that is begging for conversion covers the footprint of the house.
